You know the satisfaction of watching your buddies  
struggle to keep up?  
We engineer that.

The 2011 MX Z®. Featuring two revolutionary new Rotax® engines – the 155+ hp, 19 mpg (12.3 l/100 km) E-TEC® 800R and the 29 mpg (8 l/100 km) 600 ACE. Its SC™-5 suspension tames a trail's nastiest bumps. Its maneuverability is so precise that even the slightest movement triggers an immediate response. And it had to have improved wind protection and exceptional fuel economy. Because with a ride this good, the last thing you want to do is stop. # President's Message

On behalf of the Board of Directors of CPTC, I take great pleasure in welcoming everyone to the 48th Annual Canadian Power Toboggan Championships.

I would like to take this opportunity to thank all our sponsors and advertisers for their continuing support and for helping to make our event one of the premiere races in snowmobiling.

Due to unseasonably warm weather here this past fall, CPTC had to unfortunately cancel, for the first time ever, our Season Opener Race in December, making the Canadian Championships the only race event being held here this race season. I would like to welcome all racers, from the 120cc class all the way up to the Pro Champ class, and wish them all the best of luck.

To all our dedicated race fans, welcome, and be prepared for one of the best ice oval races you will ever witness!

*Glen Kaatz*  
President CPTC Inc.

# Proclamation

WHEREAS the Town of Beausejour is the Snowmobile Capital of Canada; and

WHEREAS numerous International Snowmobile Races are held within the Town of Beausejour; and

WHEREAS the Town of Beausejour wishes to encourage the citizens, businesses and organizations to become involved in Snowmobile Month.

Under the Authority vested in me, I, Don Mazur, Mayor of the Town of Beausejour, declare the month of March, 2010 as "**Snowmobile Month**".

Under my Hand, at the Mayor's Office this 9th day of February, A.D. 2010.

## Mayor's Message

On behalf of our community, it is an honour and privilege to welcome everyone to Beausejour and to our Annual Canadian Power Toboggan Championships.

For nearly half a century, the CPTC has evolved into a prestigious event with participants and visitors from all over North America. Of course all this would not be possible without the dedication and efforts of all the volunteers who year after year make this event a reality and success.

To all the participants in the races, we wish you all a safe and enjoyable competition in your quest for the Championship.

And to all the visitors and spectators, we hope that your stay in our community will be a most memorable one.

# THANK YOU TO ALL VOLUNTEERS

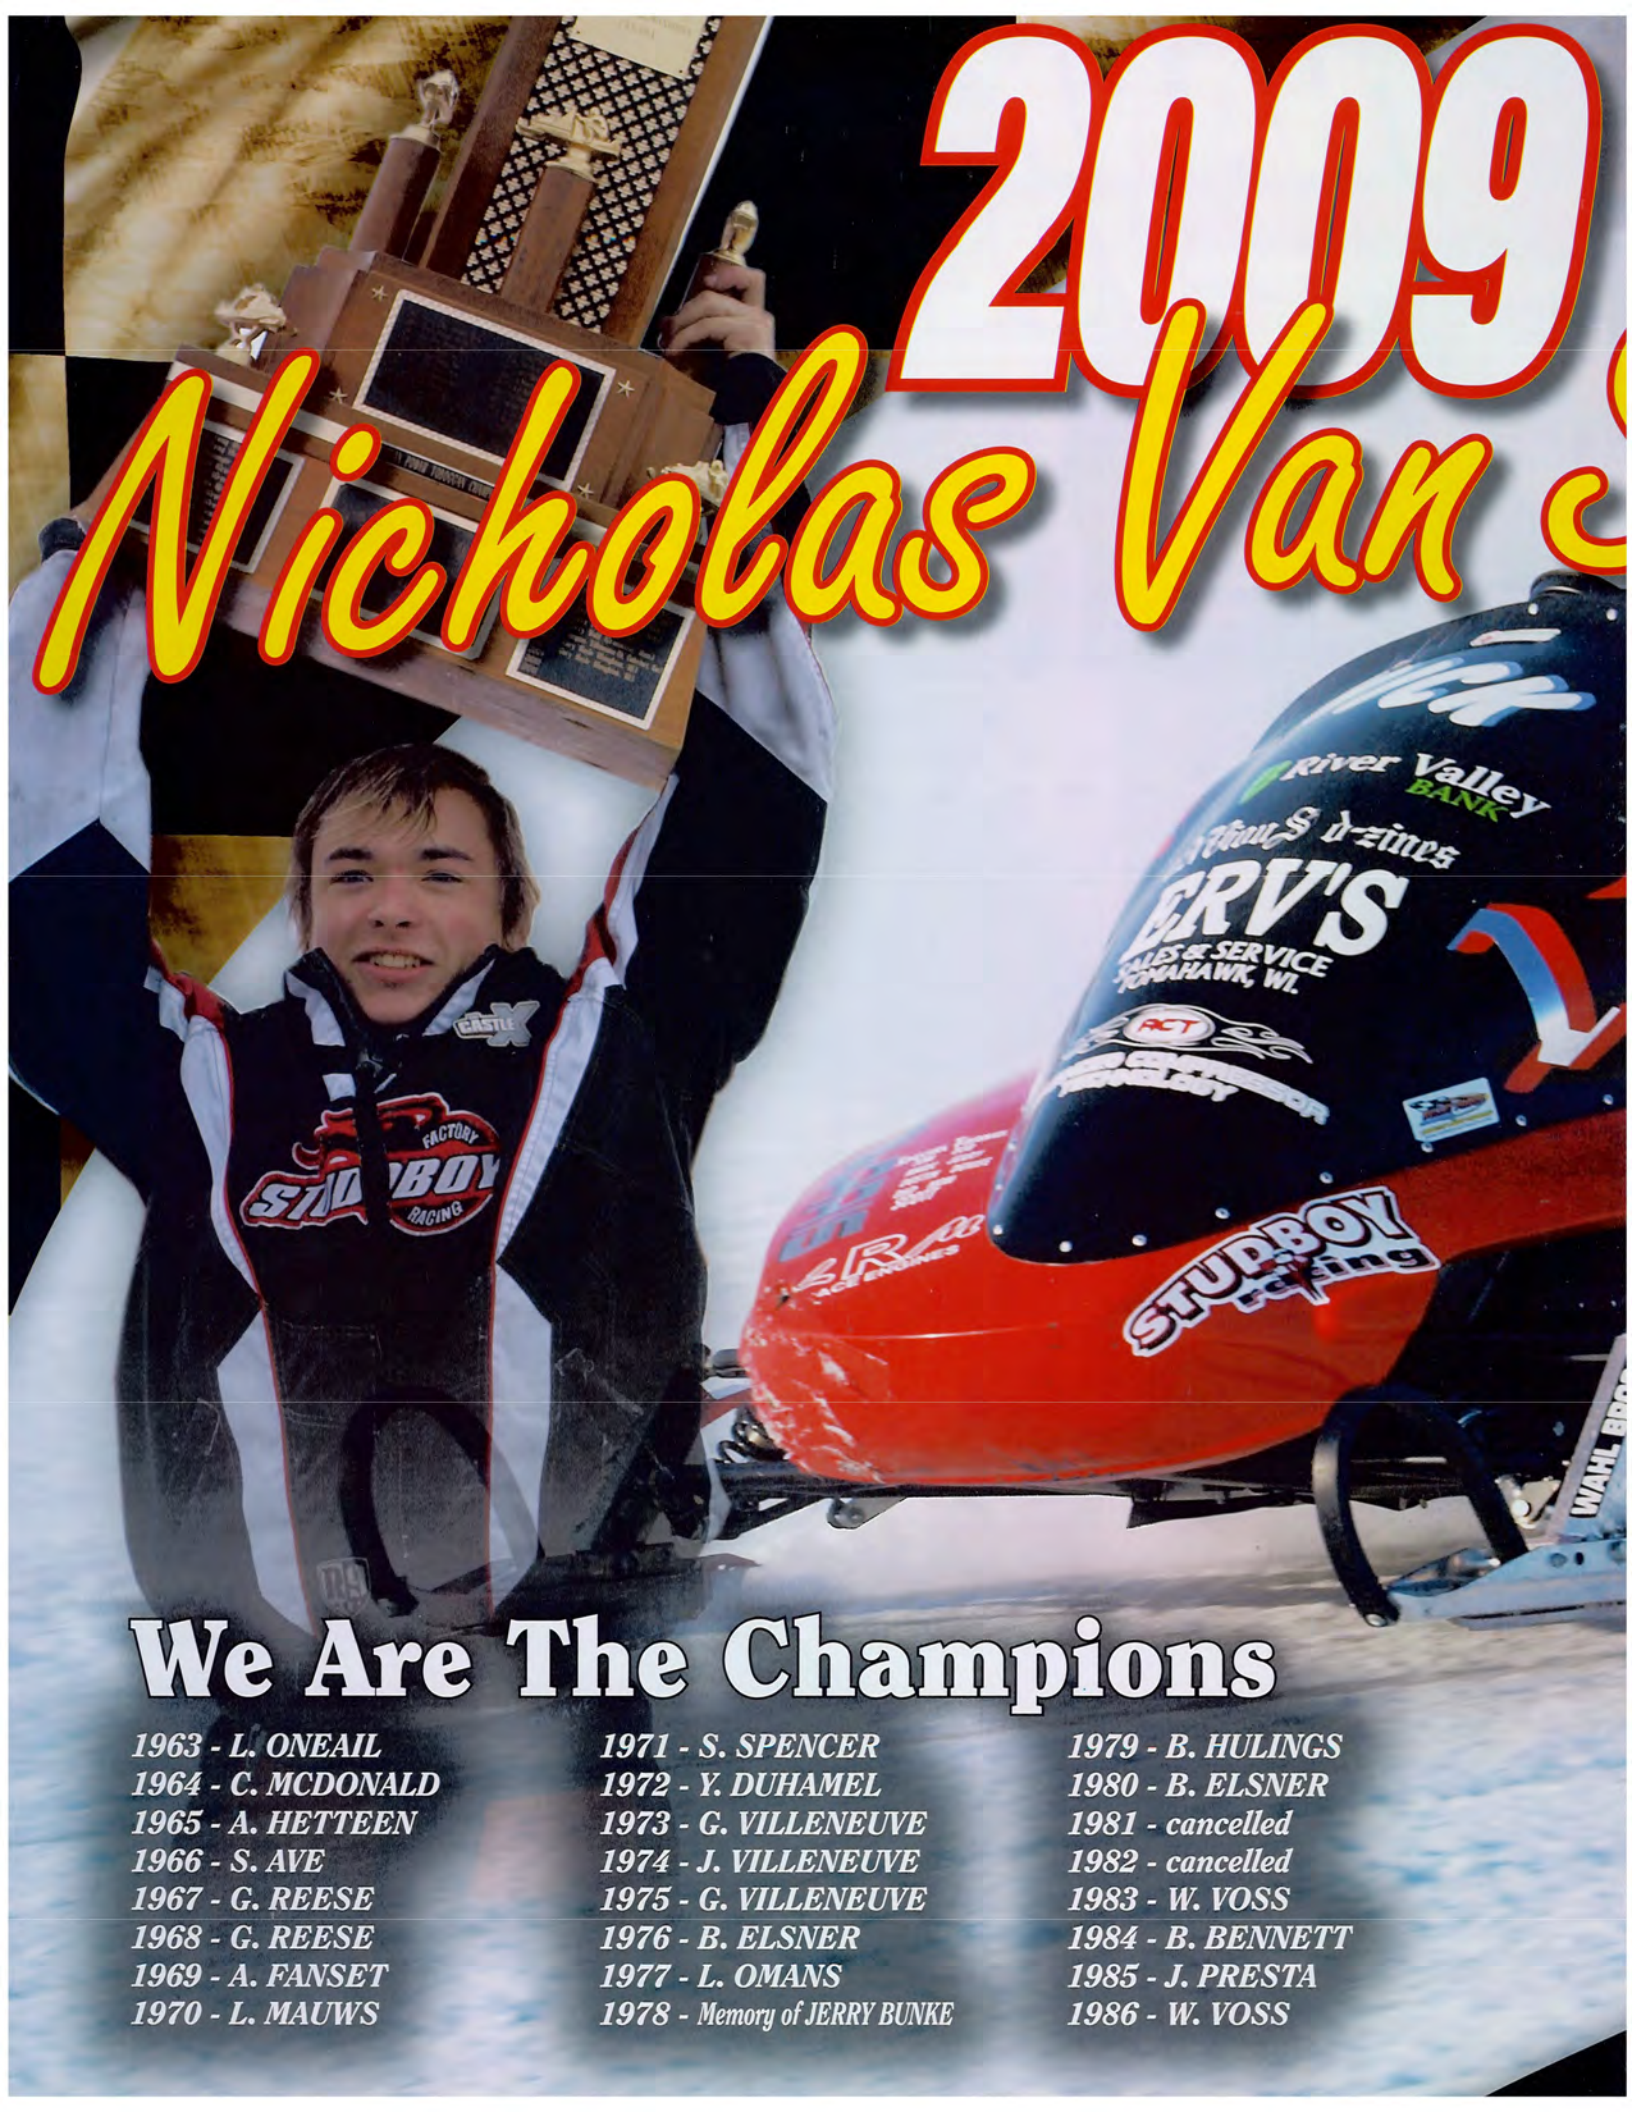

The CPTC was founded 48 years ago by volunteers and they have kept the tradition alive. The races are an astonishing testament to their perseverance and dedication. If you encounter a volunteer, please take the time to thank them for doing such a great job! If you would like to help, please contact us through our website [www.cptcracing.com](http://www.cptcracing.com). We would love to have you along.

## THE FIRST PRO-RIDE PROGRESSIVE-RATE REAR SUSPENSION\*

Introducing the all-new Polaris RUSH™ - the first snowmobile with a truly progressive-rate rear suspension\* that lets riders dominate the whoops like a motocrosser and conquer the corners with rider-active control. The RUSH's virtually bottomless PRO-RIDE™ suspension is designed to absorb the toughest bumps, transferring the load to the super-rigid PRO-RIDE chassis helping to isolate the rider from "spine-tinglers". Ride harder, faster, longer, and ride again tomorrow. Feel the RUSH.

# Kids' Racing is Here!!!

Please welcome the racers of the future! This group was formed with the hopes that a few of them will help form the next era of CPTC Canadian Ice Oval Champions. We focus on safe driving skills, friendly competition and having fun in both the Kitty Cat and 120 cc divisions. We race on a flat snow oval and will be including a kids' ice track in the near future as our racers develop. We have 10 different classes that range from Stock Kitty Cat to Mod KC, Amateur 120 to Champ 120.

The year's group consists of racers from many areas including: BEAUSEJOUR – Xavier and Sebastian Cole, Tayler Hixt, Jzraelyne and Schaelyce Kopp, Ian Mickey, Kyle and Mark Mroz, Jordan and Katelyn Sobetski, Hailey and Cole Thomas, Owen and Joey Van Linge; OAKBANK – Brandon Berard, Matthew Cann, Tiffani Kwan; WINNIPEG – Copper Carleton, Aurora and Roxy Gatchel, Dylan Koper, Matt Leslie, Brendan Veert; STEINBACH – Jayden Perron; LAC DU BONNET – Mackenzie Ftoma, Ryan and Robin Miller; SELKIRK - Rylin Catazinski, Logan Creplewe, Kate and Ty Johnson, Nicole Schwab, Tonie Sledz; CREIGHTON SASK. – Corbin Collier; ST LAURENT – Taylore Fissette; as well as Dalton and Lauren Schoon of Minneapolis.

This group would not have been possible without the assistance of many Pro ice racers and their dedicated crews including: #13 Nick and #61 Beau Van Strydonk from T+N Racing, Timmer Motor Sports / Timmer's Bar and Grill, #3 #3H and #13 Høglund/Fontaine Racing, #19B Curtis Boivin, and of course #99 Shane Peterson and crew, who helped us get going in the first place. This opened the door to introduce new kids into this great sport we all love. Your passion for this sport has shown, and hopefully this group of youngsters gives you great joy in the future watching them race safely and winning.

We have also had a very dedicated group of volunteers including parents, media, organizers, the CPTC Board and track officials, and various sponsors. We would also like to thank the following groups/businesses for their support: CPTC Board of Directors and volunteers, Sobetski Enterprises, Plainview Greenhouses, Polaris Racing, Høglund Racing, Transcona Trailer Sales, Arctic Cat Racing, Mr Streamer Promotions, EXG Chartered Accountants, Westwood Homes, BJ Co-Op, BJ Shop Easy, BJ Fields Store, BJ MPI, BJ Hydro, The Clipper, The Review, Darryl Gershman Photography, and many others. Please help us by thanking them for the assistance they have given us as we truly appreciate it.

Our future race dates are: Dec 4+5th, 2010, Jan 15-16th, Feb 12-14th and March 5-6th 2011. The December and March races will be held in conjunction with the 49th Annual CPTC races.

If you are interested in joining us, or even just coming out to watch, please contact Dave Cole at [davecole@mts.net](mailto:davecole@mts.net) or call 1-204-268-

1204 evenings only. You can also check out what we are doing at [www.cptcracing.com](http://www.cptcracing.com) and click on the Kids Racing link on the left side of the screen.

Thanks again for everything,

Also included in the program are pictures and write-ups on the 1966 Powder Puff Derby winner, Jean Grahn of Roseau, Minnesota, as well as the 1966 Player's Canadian Power Toboggan Champion, Steve Ave of Hurley, Wisconsin. Another page lists the previous winners from 1963 to 1966 in the Player's Canadian Power Toboggan Championship race, Cross Country Endurance race, Closed Course race, Cross Country B. and Powder Puff Derby.

The program also lists the racers entered in the various classes being run in the 1967 CPTC races. The Player's Canadian Championship had 31 entries, including 20 Polaris, 10 Ski-Doos, and 1 Snow Cruiser. The list was not complete, however, as some of the entries were not received before the race program was printed. One of those entries missing was Gerry Reese of Roseau, Minnesota, who went on to win the 1967 Canadian Power Toboggan Championship.

# JERRY BUNKE MEMORIAL CHALLENGE

Jerry Bunke was a member of the famed Polaris "Midnight Blue Express" race team that competed in the Sno Pro circuit of the late '70s. He tragically lost his life in a racing accident in Beausejour, Manitoba in 1978. To honour the dedication, perseverance and professionalism that Jerry displayed during his career, we at CPTC are pleased to present the annual JERRY BUNKE MEMORIAL CHALLENGE. It is awarded to the driver in the Vintage IFS class who accumulates the highest point total over the weekend of racing. A trophy presentation and a cash prize of \$1,000 will be awarded! The winner of last year's award was Troy Lefko of Beausejour, MB. Watch for the intense action in pursuit of this most prestigious award!

 Axial®

I will never name my dog "Cookie" or "Shnookums"

A salad is not a meal;  
unless it has a 12 oz. steak on it and no salad.

The only time I want to see men running around in tight pants,  
is when they're crushing each other over an oval ball.

I don't want my tool shed "brightened up"  
with flowers and pictures.

I will never ingest a mocha latte, a frappuccino or  
a chai macchiato. I'm having coffee.

I refuse to be tied to a herbicide application window  
that's shorter than a teenager's attention span.

And when it comes to protecting my wheat and barley crops  
from grass weeds, I refuse to compromise on my herbicide.

This is more than just a club; it's a mentality. Axial was made for those who demand only the best for themselves and their crops. Because when it comes to the control of grass weeds in both spring wheat and barley, Axial performs like no other. # ***IN MEMORY OF AL ALBRIGHT***

***1957 - 2009***

It is with heavy hearts that the Board of Directors of CPTC announces that we lost one of our own on April 18, 2009 when Al Albright, aged 52, passed away from cancer. Al was a long-time active member of the board and an integral part of our organization who could always be counted on to follow through on what he said he was going to do, and always did everything with a great big smile,

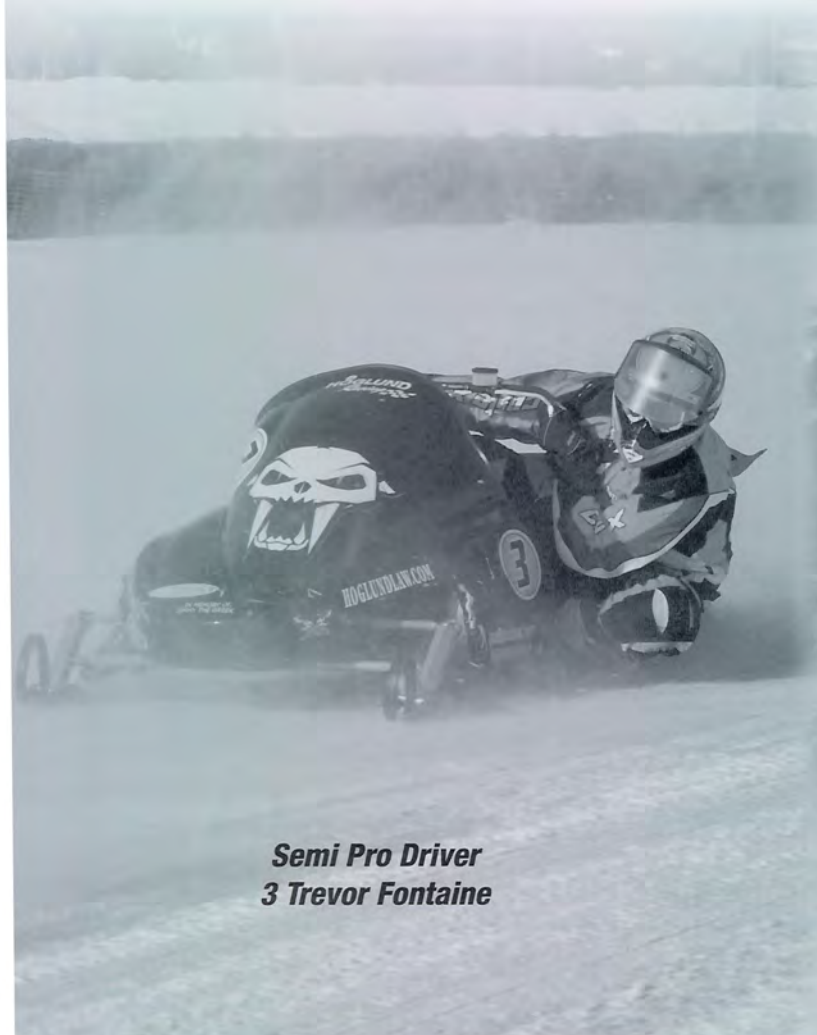

his trademark. Al enjoyed his position as flagman in corner #4 which allowed him to be in the thick of the action at every race, something he was passionate about. Al was a gentle, generous soul who was always willing to help out, and we were proud to call him our friend. Even though he is gone, Al will never be forgotten, and he will be missed immeasurably by everyone here at CPTC who had the privilege of knowing him.

***“The Best Racing Around”***

The Central North American Racing Association was formed in 1987 by a group of dedicated racers and organizers who were interested in creating a body to sanction ice oval snowmobile races . Currently, CNARA consists of President Bruce Modrzejewski, Secretary-Treasurer Jan Baker, and Directors Jamie Kines, Barry Klym, Ryan Keefe, Doug Thomasson, and Ken Day.

Basically the role of CNARA is to enforce ISR rules and to provide officials such as the race director, flagman, and tech director to help run the snowmobile races that it sanctions. CNARA also handles the registration of all racers, collecting the race registration money, and doing the pay-out of prize money to all winners. CNARA also sends a designate to attend the annual ISR Rules Meeting held in Milwaukee, Wisconsin in order to have input into the rules governing ice oval racing.

# Wives everywhere are fed up with EVEREST®.

"EVEREST works so good,  
it's a big problem."

Amanda Henderson, MB

"I want my house back!"

Sarah Coates, AB

"Everywhere I turn, he's there."

Shannon Anderson, SK

They're taking a stand. Because one early application of EVEREST® gets rid of all green foxtail, wild oats and key broadleaf weeds for the entire season, their husbands aren't out in the fields worrying about flushing weeds. Instead, they're trying to help around the house and showing up at the office. Getting in their hair. And EVEREST wives have had it.

*Flush after flush™*

The Brokenhead Trail Blazers was established on March 9th, 1970 at Brokenhead, Manitoba. The founding nine members were all from the Beausejour/Brokenhead area and included:

**Roy Kryschuk**  
**John Kryschuk**  
**Ed Molinski**  
**Don Froehlich**  
**Raymond Kryschuk**

**Henry Saluk**  
**Allan Trombo**  
**Mike Chorney**  
**Herb Soluk**

During the early years, the club members participated in local races and also organized races at the Crossroads General Store at Brokenhead. In March of 1971, the Brokenhead Club was present at the Canadian Power Toboggan Championships opening ceremonies, carrying a club banner around the track by snowmobile. The club also volunteered to carry the Lieutenant Governor and other dignitaries to the track for the opening ceremonies that year. During the 1970's, the club continued to hold races and also poker derbies in the Brokenhead area. In 1972, the club built a clubhouse near Ladywood to hold club meetings and events.

In 1980, the club made a bold move to relocate the clubhouse to property adjacent to the Mars Sand Hills. That same year, the club purchased its first trail groomer and started to groom trails within the Mars Sand Hills for recreational trails and for poker derbies. In 1981, the club expanded its trail network by opening a trail north to the Gull Lake area. Around that time, the club built its first warm up shelter on the trail north of the Brokenhead River. This hut was affectionately known as the "Plastic Shack".

The club's first trail groomer was a 1974 Alpine, pulling a Bombardier snowmobile trail groomer, which was the best and only groomer available in the early 1980's. Slowly, the grooming equipment would evolve into a Bombardier J-5, a Ski-Doo Alpine II in 1990, a Bombardier SV200 in 1993, a brand new Mogul Master trail groomer in 1994, a Bombardier SV252 in 2001 and most recently a Bombardier BR400+ in 2005.

Today, the clubhouse still stands near the Mars Sand Hills, along with facilities to house and maintain our trail grooming equipment. The club currently maintains approx. 120 km of snowmobile trails from Beausejour to Belair Forest. The club has held many different types of fundraisers over the years, including socials, raffles, poker derbies and pancake breakfasts. The Brokenhead Trail Blazers have also given back to the community in the form of donations to the Beausejour General Hospital, to name one of many.

To celebrate 40 years of snowmobiling, the Brokenhead Trail Blazers are holding a 40th Anniversary Banquet on Saturday, March 6th at the Brokenhead River Rec. Complex at 6:00 pm. We hope to see you there!

# Many weeds, one solution.

## Velocity™m3

The only thing that Velocity™ m3 herbicide left behind were the decimated remains of those notoriously tough grassy and broadleaf weeds. No weeds, just really clean wheat fields. That's exactly what Velocity m3 is known for – consistent, powerful control of both grassy and broadleaf weeds together in one solution.

# FROM RECREATION TO RACING...

"I've been using XL-S oil in my sleds for years - both on and off the track - and I like the way it performs in all conditions. It handles the temperature and shock load that racing can hand out and I've never had any engine or power valve failures when using it. If XL-S can handle racing it can handle the trail."
