IN MEMORY OF DENNIS DRAWARD 1960 - 2011

It is with great sadness that the Board of Directors of CNARA announces the sudden passing of Dennis Draward, aged 50, on February 3, 2011. Dennis was instrumental in the formation of the Central North American Racing Association in 1987, serving as its Race Director for many years.

Dennis also was an active volunteer and board member of CPTC for many years and recently returned to volunteer his time, doing anything from manning the pit gate to announcing at the races this past December. The Board of Directors of both CNARA and CPTC will not only miss Dennis's involvement at the races, but also his great sense of humour.

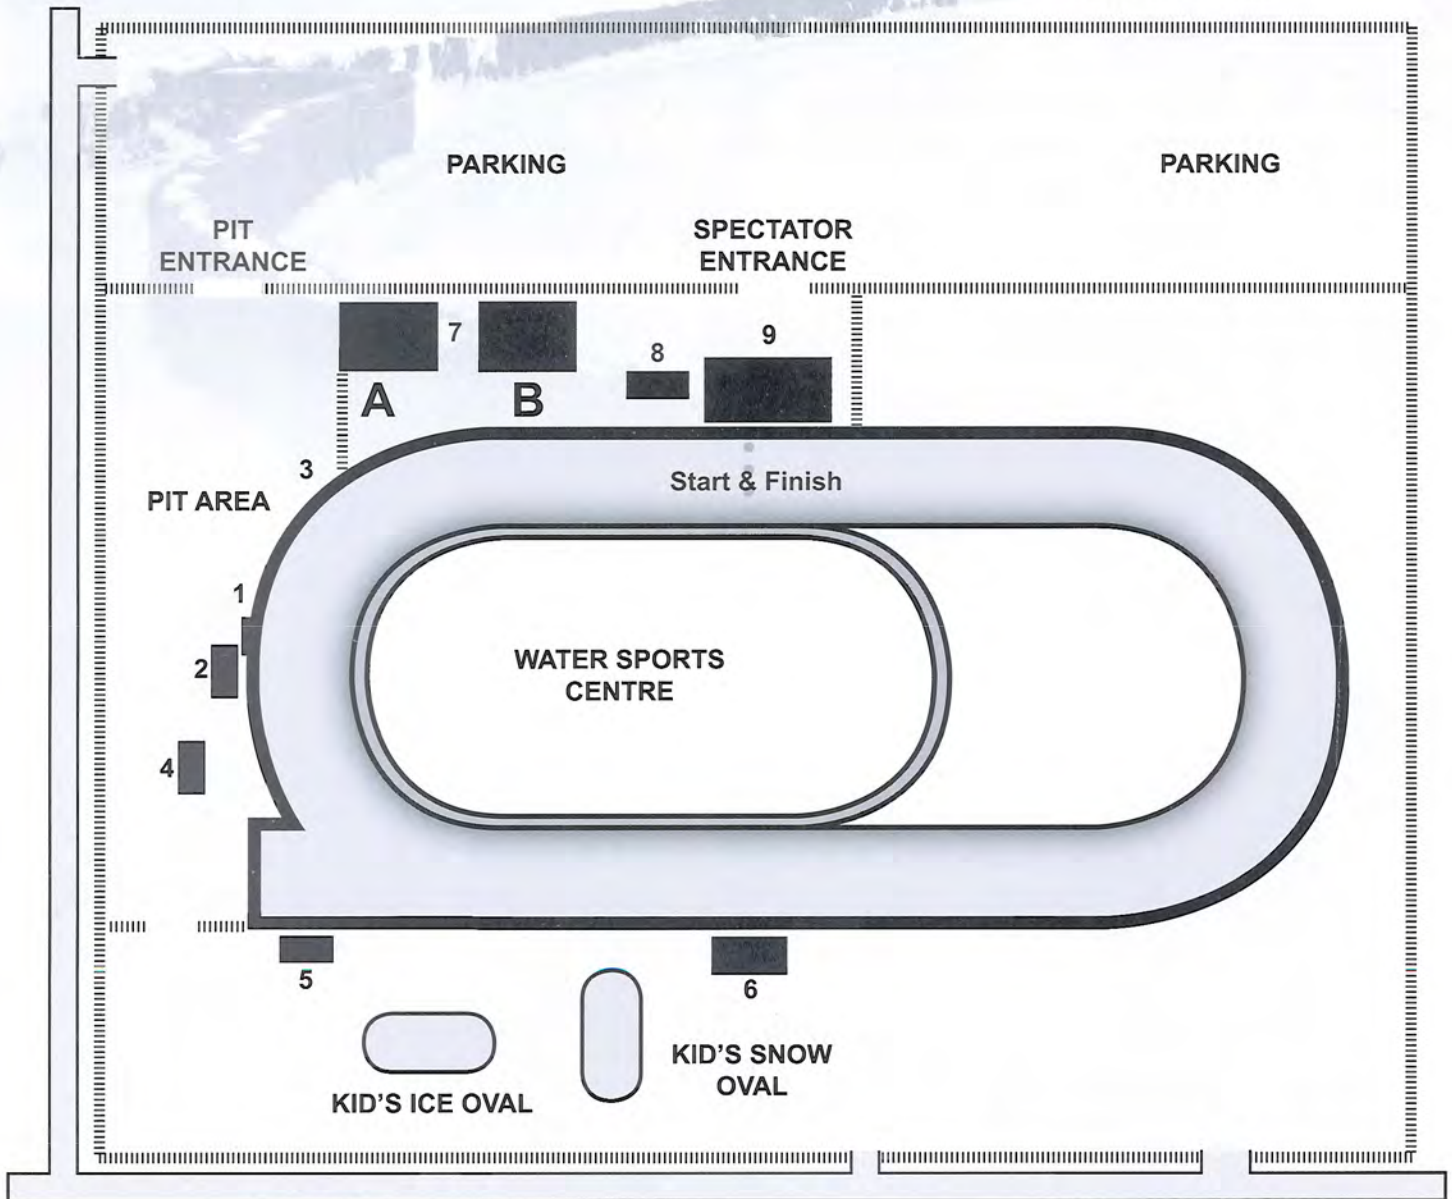

A large, semi-transparent image of a racing scene. In the foreground, a person's arm and shoulder are visible on the left. In the background, a person in a camouflage jacket and a cap is sitting at a table, looking down. The text "BRING IT ON" is overlaid in large, bold, semi-transparent letters across the center and right side of the image.

P.R. 302 to Beausejour →

President's Message

On behalf of the board of directors, I would like to welcome everyone to the 49th Annual Canadian Power Toboggan Championship Races. Our hope is that your visit with us, whether being a participant or spectator, is a pleasurable one. We would also like to invite you back for the celebration of our 50th year of racing excellence in 2012.

Events of this size don't come about without the generous support of our sponsors and the hard work of our dedicated volunteers, and for this I would like to thank them. Without them our event wouldn't be the world's oldest organized oval race event that it is. After holding a very successful Season Opener Race in December, our board is looking forward to showcasing the very best drivers from the 120cc, vintage, junior, stock, modified, and champ classes for your racing enjoyment.

On behalf of the board of directors of CPTC, I would like to thank you for coming out, and get ready for the best racing around!

Glen Kaatz
President CPTC Inc.

A Special Thanks to all of our Proud Sponsors

Proclamation

WHEREAS the Town of Beausejour is the Snowmobile Capital of Canada; and

WHEREAS numerous International Snowmobile Races are held within the Town of Beausejour; and

WHEREAS the Town of Beausejour wishes to encourage the citizens, businesses and organizations to become involved in Snowmobile Month.

Under the Authority vested in me, I, Brad Saluk, Mayor of the Town of Beausejour, declare the month of March, 2011 as "Snowmobile Month".

Under my Hand, at the Mayor's Office this 22nd day of February, A.D. 2011.

Mayor's Message

On behalf of our community, it is an honour and privilege to welcome everyone to Beausejour and to our 49th Annual Canadian Power Toboggan Championships.

For nearly half a century, the CPTC has evolved into a prestigious event with participants and visitors from all over North America. Of course, all this would not be possible without the dedication and efforts of all the volunteers, who year after year make this event a reality and a success.

To all the participants in the races, we wish you all a safe and enjoyable competition in your quest for the Championship.

And to all the visitors and spectators, we hope that your stay in our community will be a most memorable one.

Brad Saluk
Mayor of the Town of Beausejour

Thank you to all Volunteers

The CPTC was founded 49 years ago by volunteers and they have kept the tradition alive. The races are an astonishing testament to their perseverance and dedication. If you encounter a volunteer, please take the time to thank them for doing such a great job! If you would like to help, please contact us through our website www.cptcracing.com. We would love to have you along.

Reeve's Message

Dear Racers and Fans,

On behalf of the Rural Municipality of Brokenhead, I would like to welcome you to the 49th Annual Canadian Power Toboggan Championships.

The CPTC races have become an exhilarating tradition held each spring, pitting racer against racer in a variety of categories. This event has put Beausejour, Manitoba on the map, attracting racers and enthusiasts from across both Canada and the United States of America.

The volunteers on the CPTC Committee have worked diligently for many years to put on a great show for you. So sit back, take in the races and enjoy the weekend!

Yours truly,

Glen Dudeck

Onwards and Upwards!

Please welcome the up and coming snowmobile oval racers of the future! This group was formed in December 2008 with the hopes that a few of them will move up to the big track and be part of the next era of CPTC Canadian Ice Oval Champions. We focus on safe driving skills, friendly competition and having fun in both the Kitty Cat and 120 cc divisions. We race on a flat snow oval as well as a scaled down ice oval track in order to give the kids experience to safely race on the big track when they become old enough. We have 15 different classes that range from Stock Kitty Cat to full mod KC (F1), Beginner 120 (Stock) to full mod 120 (Champ).

This year's group consists of racers from many areas including: BEAUSEJOUR – Xavier and Sebastian Cole, Colby Dickenson, Kailey Gusta, Brett Hrechkosy, Montana McDuffe, Ian and Tyson Mickey, Jordan and Katlyne Sobetski, Hailey and Cole Thomas, Owen and Joey Van Linge; SELKIRK – Rylin Katazinski, Jonathon and James Lucas, OAKBANK – Tiffani Kwan; WINNIPEG – Ella and Cailee Bellingham, Copper Carleton, Dylan Koper, Hannah and Matt Leslie, Brandon Veert; STEINBACH – David and Jayden Perron; LAC DU BONNET – Robin and Ryan Miller; ILE DES CHENES - Taylore St Laurent; CREIGHTON SASK. – Corbin Collier; as well as our racers from the USA: Miranda Peterson from Lancaster Minnesota.

This group would not have been possible without the assistance of many local and Pro racers and their dedicated crews including: Mickey Racing, Sobetski Racing, Thomas Racing, XS Racing, #13 Nick and #61 Beau Van Strydonk from T+N Racing, #54 Lance Relf and crew, as well as the Timmer Motor Sports crew. This support has opened the door for new kids to get into this great sport we all love. Your passion for this sport has shown, and hopefully this group of youngsters gives you great joy in the future watching them race safely and maybe, one of them becoming the CPTC Canadian Ice Oval Champion.

We also have a very dedicated group of volunteers including parents, media, organizers, the CPTC Board and track officials, and various sponsors. We would like to thank the following groups and businesses for their support: CPTC Board of Directors and Volunteers, Sobetski Enterprises, ORA, Bihner Racing, Djunglen Racing, Plainview Greenhouses, Polaris Racing, Hoglund Racing, Transcona Trailer Sales, Arctic Cat Racing, Clipper Weekly newspaper, Betula Lake Resort, Manitoba Pork Council, EXG Chartered Accountants, BJ Royal Bank, BJ Sunova, BJ Co-Op, BJ Fields Store, Darryl Gershman Photography, and many others. Please help us by thanking them for the help they have given us.

The kids tentative future race dates are: Dec 3+4th, 2011, Jan 14+15th, 2012, Feb 11+12th, 2012 and March 3+4th, 2012 as part of CPTC's 50TH ANNIVERSARY. Everyone is welcome to watch or race!

If you are interested in joining us, or even just coming out to watch, please contact Dave Cole at davecole@mts.net or call 1-204-268-1204 evenings only. You can also check out what we are doing at www.cptcracing.com and click on the Kids Racing link on the left side of the screen.

Thanks again for another great year!

EMD Soybean Inoculants

Field Tested. Field Proven.

Optimize[®]
LCO Promoter Technology[®] for Soybeans

Enhanced Roots, Excellent Plant Growth, and Extraordinary ROI.

- A unique seed applied product that enhances natural growth processes - enabling your soybean crop to achieve its full genetic potential by maximizing crop performance all season long.
- What makes *Optimize* unique? You get the benefits of a premium inoculant along with EMD's patented LCO (*Lipo-chitooligosaccharide*) Promoter Technology.

**Soil
Implant**[®]**+**

Soil Implant[®] is an in-furrow granular inoculant.

- Delivers a rhizobia count of 100 million viable cells per gram for more nitrogen-fixing bacteria per linear foot.
- Granular, peat-based formulation, maximizing yields in adverse conditions.

SOY
SELECT^{™/MD}

Soy Select[™] is a premium peat inoculant offering superior seed adhesion.

- Convenient and economical.
- Designed for use in all planter types - conventional, drills and air seeders.

THE NEXERA™ CANOLA HYBRID EXPLOSION.

HEALTHIER YIELDS
BY THE BUSHEL. EVEN MORE PROFIT
BY THE BOTTLE.

**NOW THE PROFIT IS REALLY FLOWING – WITH OUR
NEW HYBRID CANOLA VARIETIES.**

Our high-yielding hybrids are here. And they're backed by healthier agronomic performance, even healthier demand from our customers, plus a Healthier Profit Guarantee. More Nexera canola acres are needed now to meet the current demand for heart-healthy Omega-9 Oils. So take advantage of this profitable canola opportunity. Talk to your local crusher. And contract today.

Accomplish even more. With Nexera canola hybrids. Call our Solutions Center at 1.800.667.3852. Or visit healthierprofits.ca.

JERRY BUNKE MEMORIAL CHALLENGE

Jerry Bunke was a member of the famed Polaris "Midnight Blue Express" race team that competed in the Sno Pro circuit of the late '70s. He tragically lost his life in a racing accident in Beausejour, Manitoba in 1978. To honour the dedication, perseverance and professionalism that Jerry displayed during his career, we at CPTC are pleased to present the annual JERRY BUNKE MEMORIAL CHALLENGE. It is awarded to the driver in the Vintage IFS class who accumulates the highest point total over the weekend of racing. A trophy presentation and a cash prize of \$1,000 will be awarded! The winner of last year's award was Duncan Reid of Beausejour, MB. Watch for the intense action in pursuit of this most prestigious award!

Duncan Reid

CPTC would like to thank the following sponsors for contributing to the Jerry Bunke memorial award:

**Extreme Performance Automotive • Melnick Motors • Kenday Racing
Matwychuk Brothers Racing • PJ Gmiterek Autobody • Graves Insurance
Ryback Custom Machine • Super Trac's Racing/Yorkton

I will never name my dog "Cookie" or "Shnookums"

A salad is not a meal;
unless it has a 12 oz. steak on it and no salad.

The only time I want to see men running around in tight pants,
is when they're crushing each other over an oval ball.

I don't want my tool shed "brightened up"
with flowers and pictures.

I will never ingest a mocha latte, a frappuccino or
a chai macchiato. I'm having coffee.

I refuse to be tied to a herbicide application window
that's shorter than a teenager's attention span.

And when it comes to protecting my wheat and barley crops
from grass weeds, I refuse to compromise on my herbicide.

This is more than just a club; it's a mentality. Axial was made for those who demand only the best for themselves and their crops. Because when it comes to the control of grass weeds in both spring wheat and barley, Axial performs like no other. For further information, please contact our Customer Resource Centre at 1-87-SYNGENTA (1-877-964-3682) or visit SyngentaFarm.ca.

Always read and follow label directions. AXIAL® and the Syngenta word mark are trademarks of a Syngenta Group Company. © 2010 Syngenta Crop Protection Canada, Inc.

WESTWOOD HOMES

WAYNE - 268-3425

Wives everywhere are fed up with EVEREST®.

“EVEREST works so good,
it’s a big problem.”

Amanda Henderson, MB

“I want my house back!”

Sarah Coates, AB

“Everywhere I turn, he’s there.”

Shannon Anderson, SK

They’re taking a stand. Because one early application of EVEREST® gets rid of all green foxtail, wild oats and key broadleaf weeds **Flush after flush™**, their husbands aren’t out in the fields worrying about flushing weeds. Instead, they’re trying to help around the house and showing up at the office. Getting in their hair. And EVEREST wives have had it. **Hear what they’re saying at www.everestwives.ca**

Outlaw 600

This is a conceptual drawing of the newly-proposed "Outlaw 600" race sled. This new class represents a radical, totally new concept in ice oval snowmobile racing. Make no mistake: It is a snowmobile; it just blends in the design of a sprint car. If you can drive a car, you should be able to race this sled.

This concept was designed for more competitive side-by-side racing along with more safety and less cost than current premier snowmobile classes. The Outlaw 600 will be powered by a 600 cc. modified engine with tight limitations on modification to keep costs

under control. The power would get to the ice through a single 15" by 116" studded rubber track. The engine would be carb forward under the hood which would put the clutches on the opposite side of the driver. Pipes would be straight out of the exhaust ports over the tunnel. Pipe building and carb tuning would be simplified with this design.

This sled can currently be manufactured by multiple race shops to be available as "complete race ready" or you can build your own using FREE extensive specs and diagrams available soon from hooperraceengines.com.

John Hooper is the man behind the design of this race sled. He doesn't come up with an idea for a new race sled or class without putting a lot of thought into it. The Formula 500 class was John's brainchild and it is the most popular class in the east, and is fast becoming that in the west. We know John is doing this with the best interests of the sport in mind and we at CPTC wish him luck with this endeavour.

FROM RECREATION TO RACING...

"I've been using XL-S oil in my sleds for years - both on and off the track - and I like the way it performs in all conditions. It handles the temperature and shock load that racing can hand out and I've never had any engine or power valve failures when using it. If XL-S can handle racing it can handle the trail."
