# President's Message

---

On behalf of the Board of Directors, I would like to personally welcome everyone to the 52nd annual Canadian Power Toboggan Championships. Last year we celebrated 51 years of racing. This is possible, thanks to our racers, volunteers and sponsors. The dedication of these participants truly reflects a premiere event that we are all proud of, and we look forward to the future. The success of the world's oldest organized oval snowmobile race is truly a result of our dedicated volunteers, racers, sponsors and race fans. The continued support of the Town of Beausejour and the RM of Brokenhead is also a key factor in the development of our racing venue and we are greatly indebted to them.

I would like to thank the racers who have travelled from far and wide for providing us with a spectacular racing show. It is without a doubt their skill and performance that creates hours of professional racing entertainment for this world class event.

On behalf of the CPTC Board of Directors, I would like to welcome everyone to Beausejour for our 52nd oval snowmobile races. Your continued support of this event is greatly appreciated. Sit back, relax, and more importantly participate in this weekend of exciting races and festivities.

## **CPTC KIDS SNOWMOBILE RACING 2013 / 2014**

The club was formed in December 2008 with its first race starting in March, 2009 as part of the CPTC Big Track events. We currently have a group of around 14 kids racing Kitty Cat, 120cc and 206 snowmobiles, with boys and girls aged 4 to 14. We teach the kids safe driving and racing practices as well as good sportsmanship and friendship to grow together to some day become a big track racer. We offer the kids and their families something fun to do in the winter months, and to help those who want to make it big some day and move up to the big track safely as possible. Currently there are two young men that will be joining the big track this year by the names of Xavier Cole who will be racing this March, 2014 and Jordan Sobetski will be joining the big track in December. They both will be moving on to a Junior Novice 340 class. They are both from Beausejour, Manitoba.

We host 4 races every season at the CPTC Raceplex in Beausejour, MB. with around 10 different class' or more. These races take place December, January, February and March. By having recreational and competitive classes in both the Kitty Cat, 120cc and open 206 on our ice and snow tracks, it gives every racer a

chance to excel every year and is a great experience to watch the kids grow and develop their own skills accordingly.

Our current racers, racing this 2013/2014 season are from: Beausejour, Fiona Hyde, Ian & Tyson Mickey, Jordan & Katlyne Sobetski, Cole Thomas and Xavier Cole, Lac Du Bonnet – Ryan Miller, Cooks Creek – Joey VanLinge, Ste. Anne's - Kaiden Grabowski and Braxton Cassidy, Winnipeg - Silas Gershman, Thalberg – Kailey and Alyssa Gusta.

CPTC kids club would like to take this time to say thank you to our supporters CPTC Board of Directors and DJ Saluk for helping out and making this kids race season a success. Thank you!

For more information about the CPTC kids club you are welcome to go to the website of [www.cptcracing.com](http://www.cptcracing.com) and click on the "Kids Racing" link for results, meetings, race dates and contacts to join our club or have any questions. We follow the ISR book of rules as well.

# Thank you to all VOLUNTEERS

The CPTC was founded 52 years ago by volunteers and they have kept the tradition alive. The races are an astonishing testament to their perseverance and dedication. If you encounter a volunteer, please take the time to thank them for doing such a great job! If you would like to help, please contact us through our website [www.cptcracing.com](http://www.cptcracing.com). We would love to have you along.

# JERRY BUNKE MEMORIAL CHALLENGE

Jerry Bunke was a member of the famed Polaris "Midnight Blue Express" race team that competed in the Sno Pro circuit of the late '70s. He tragically lost his life in a racing accident in Beausejour, Manitoba in 1978. To honour the dedication, perseverance and professionalism that Jerry displayed during his career, we at CPTC are pleased to present the annual JERRY BUNKE MEMORIAL CHALLENGE. It is awarded to the driver in the Vintage IFS class who accumulates the highest point total over the weekend of racing. A trophy presentation and a cash prize of \$1,000 will be awarded! The winner of last year's award was Russell Liba of Warburg, AB. Watch for the intense action in pursuit of this most prestigious award!

# IN Memory of **GEORGE TOWLE**

On March 25, 2013, CPTC lost a dedicated volunteer and board member when George Towle, fondly known as the "Ice Man," suddenly passed away. George joined the board as a retiree and spent countless hours at the track helping with flooding, maintenance, and grass cutting in the summer. George was a very sociable person and enjoyed the camaraderie of working alongside members of the Board and would happily do whatever was asked of him, always willing to lend a helping hand. He was a very positive, patient man who always looked at the glass as being half full. George will be sorely missed by everyone here at CPTC and will always be remembered for the mischievous twinkle in his eye and for his dimpled smile that would light up a room.

# FROM RECREATION TO RACING...

"I've been using XL-S oil in my sleds for years - both on and off the track - and I like the way it performs in all conditions. It handles the temperature and shock load that racing can hand out and I've never had any engine or power valve failures when using it. If XL-S can handle racing it can handle the trail."
